request to OCR and the agency, notifying them of the docket number and the assigned ALJ. The Docketing Clerk also will send you a notice of receipt of the hearing request that will inform you of the name of the assigned ALJ.

§ 15f.12 Am I entitled to a hearing in all circumstances?

Under section 741, you have a right to a hearing as part of the process for USDA to render a final determination on your eligible complaint. However, if at any time the ALJ determines that your complaint is not an eligible complaint, he or she may dismiss your complaint with a final determination and USDA review of your complaint will then have been completed. You also are not entitled to a hearing if there are no material issues of fact in dispute between you and USDA. In other words, if the only dispute remaining is a question of law, you will not receive a hearing and the ALJ will make a final determination under § 15f.16.

§ 15f.13 What is the function of the ALJ and who may communicate with him?

(a) *What are the powers of the ALJ?* The ALJ is responsible for conducting a hearing at your request on your Section 741 Complaint Request. He or she will have all powers prescribed in these rules and will make a proposed determination on your complaint. The proposed determination then will become the final determination after 35 days, unless the ASA reviews the proposed determination.

(b) *What is an ex parte communication?* An *ex parte* communication is a communication by one party to a proceeding with the ALJ outside of the presence of, or without notice to, the other parties to a proceeding. *Ex parte* communications in the proceedings on your complaint are prohibited and will be handled as follows:

(1) The ALJ will not engage in *ex parte* communications regarding the merits of a complaint with any party or with any person having any interest in the proceedings on the complaint, including OCR and any person in an advocacy or investigative capacity, at any time between the assignment of a

hearing to him or her and the issuance of a proposed determination. This prohibition does not apply to:

(i) Discussions of procedural matters related to the complaint; or

(ii) Discussions of the merits of the complaint where all parties to the proceeding on the complaint have been given notice and an opportunity to participate.

(2) In the case of a communication described in paragraph (b)(1)(ii) of this section, a memorandum of any such discussion shall be included in the hearing record.

(3) No party to the proceeding or other interested person shall make or knowingly cause to be made to the ALJ an *ex parte* communication relevant to the merits of the complaint.

(4) If the ALJ receives an *ex parte* communication in violation of this section, the ALJ will place in the written record:

(i) All such written communications;

(ii) Memoranda stating the substance of all such oral communications; and

(iii) All written responses to such communications, and memoranda stating the substance of any oral responses to such communications.

(c) Upon receipt of a communication knowingly made or knowingly caused to be made by a party in violation of this section the ALJ may, to the extent consistent with the interests of justice and the policy underlying these proceedings, require the party or other interested person making the communication to show cause why such party's claim or interest in the complaint should not be dismissed, denied, disregarded, or otherwise adversely affected on account of such violation.

§ 15f.14 What happens after I file a request for a hearing?

Within 20 days after you have filed your request for a hearing, ALJ shall file with the Docketing Clerk a notice stating the time, place, and manner of the hearing. The ALJ will have due regard for the public interest and the convenience and necessity of the parties in determining the time, place, and manner of the hearing. The notice will
